Concept Store Showcasing Fashion, Beauty, Design and Culture

"I am very excited to have 10 Corso Como here in New York – our first U.S location. Almost 30 years after we opened in Milan, to be a part of such an inspiring resurgence in one of the city's oldest artistic and commercial neighborhoods is a dream," said Ms. Sozzani, founder of 10 Corso Como. Carla Sozzani's celebrated concept store has launched in New York, taking over the entire first floor of the historic Fulton Market Building with a "slow shopping" experience, featuring fashion, design objects, books and art gallery.
